

Our Clients' Five Favourites

BY MARTIN DEADMAN

Whether you fancy a beer, an artisan Bourbon or an after-work cocktail, The Bull is stocked with a plethora of interesting tipples to explore!

Hophead 3.8%

For over 10 years, this clean-drinking pale golden ale from Dark Star Brewery in Brighton has been one of our best sellers. Its strong floral aroma and elderflower notes from the Cascade hops has customers of all generations enjoying a pint.

Greensand Ridge Gin

An exceptionally smooth and delicately balanced gin from the local producer Greensand Ridge - Ightham village. It has become a favourite among our gin lovers.

Dad's Hat Bourbon

Smooth and spicy, Dad's Hat Pennsylvania Rye Whiskey is the most unique whiskey we serve. The recipe features only rye grain and malt and it is aged in new oak casks.

SeaCider

Appealing to the new generation of cider drinkers, this Sussex cider moves away from the over sweet or over dry ciders you often see in pubs.

Lychee Martini

This secret combination of Bombay Sapphire gin, lychee liquor and rose water has become the most popular at The Bull!

Since 2007, Martin Deadman has transformed The Bull Hotel in Wrotham into one of Kent's most high-profile restaurants with 2AA Rosettes and a listing in The Michelin Guide 2017. The English restaurant menu, the authentic smokehouse bar menu, the 180-bottle wine list and the exclusive selection of craft beers are definitely worth the trip to Wrotham.
